

## Geography: Teaching Fundamental Themes and Skills.

1. Who developed the geographic themes.

2. List the five themes of Geography.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

5. \_\_\_\_\_

3. What is Location?

4. What two types of location are there?

1. \_\_\_\_\_

2. \_\_\_\_\_

5. Give an example of both types of location.

1. \_\_\_\_\_

2. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

---

6. Can the relative location of a place change? Explain

7. How would you define Place?

9. What are the three fundamental characteristics that one can use to identify place?

1. 

---

---

---

2. 

---

---

---

3. 

---

---

10. Why does one need to know the physical characteristics of a place?

11. What can knowing human characteristics reveal about culture?

12. What question does Human/Environment interaction answer?

13. What are the three key concepts that underlie human- environment interaction?

1. \_\_\_\_\_

\_\_\_\_\_

2. \_\_\_\_\_

\_\_\_\_\_

3. \_\_\_\_\_

\_\_\_\_\_

14. Explain briefly each concept that underlies human interaction and give an example

1. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

3. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

15. What question does the concept Movement try to answer?

16. What is migration?

17 How does one differentiate between voluntary and involuntary migration?

18 Explain what voluntary and involuntary (forced) migration is and GIVE AN EXAMPLE OF EACH.

1. voluntary

---

---

---

2. involuntary (forced)

---

---

---

19 What other two types of movements are there?

1.

---

---

---

2

---

---

---

20 How important is a region to the study to geography?

21 What question does the concept of region help to answer?

23. How many steps are there in determining a region?

3

24. What are the steps in determining a region?

1.

---

---

---

2

---

---

---

3.

---

---

---
