

Activity D: An Advanced Grid

Directions Before doing the work below, complete the identification of the lines on this grid by putting on the missing letters and numbers. Be sure to make them *capital* or *small, roman or arabic*, just as they have been started.

A. Print the letter of the correct answer in the blank in front of the number.

- _____ 1. Place a large dot at 00, which is the point at which the two zero lines cross. Label it "Home." Home's location is at the (a) center (b) corner of the grid.
- _____ 2. The (a) horizontal (b) vertical lines on the grid are identified by the letters
- _____ 3. The (a) horizontal (b) vertical lines on the grid are identified by the numbers.

B. Referring to the grid, put the locating letter, then number, *in that order*, in the blanks in front of the first four places below. Use the letters and numbers of the last eight places to find their locations on the grid. Mark them with large dots and label them with their names.
