

## Reconstruction

**Directions: Use the graphic organizer below to list the successes and failures of reconstruction.**

| <b>Success</b> | <b>Failures</b> |
|----------------|-----------------|
|                |                 |
|                |                 |
|                |                 |
|                |                 |
|                |                 |
