

THE PROGRESSIVE ERA
Outline Map

The National Parks System

Directions: *Locate and shade the following national parks: Acadia National Park, Badlands National Park, Big Bend National Park, Crater Lake National Park, Death Valley National Park, Denali National Park, Everglades National Park and Expansion, Glacier National Park, Grand Canyon National Park, Great Smoky Mountains National Park, Haleakala National Park, Mammoth Cave National Park, Petrified Forest National Park, Redwood National Park, Sequoia National Park, Yellowstone National Park, and Yosemite National Park. Label the park and the year in which it was established. Then choose a symbol to represent those parks that were established during Theodore Roosevelt's presidency and draw the symbol at appropriate points on the map. Add this symbol and a descriptive label to the blank key. Consult any map in the textbook chapter, unit opener, or atlas for information.*
