

THE GREAT DEPRESSION

Vocabulary Builder

Visualize Meaning

As you learn new vocabulary, you may want to try different ways of remembering unfamiliar words and their meanings. Visualizing meaning, or forming a picture in your mind to represent a word, helps you make sense of the word. The example below shows one way that you can visualize the meaning of the word *converge*.

<p>Example Word converge Textbook sentence American greatness showed itself, Hoover maintained, when owners, workers, and government officials <u>converged</u> on common goals. Definition to move or be directed toward the same purpose or result</p>	
--	--

Directions: Write the textbook sentence and definition for each word listed below. Then describe how you can visualize this word. Divide a sheet of paper into two sections, and draw your visualization for each word.

1. Word drastic

Textbook sentence _____

Definition _____

Visualization _____

2. Word simultaneously

Textbook sentence _____

Definition _____

Visualization _____
